SUBJECT: Payment of Differential to Personnel on Detail as
Defined in the New Differential Regulations

With reference to sections 115-g(1), 143 and 144.2 of the new Standardized Regulations (Government Civilians, Foreign Areas), a question has been raised as to the propriety of paying differential under the definition of detail contained in section 115-g(1) to an employee who, although documented as required in that definition, spends less than 60 days at the post of detail.

Clarification of this point has been sought from the Comptroller General.

Your attention is invited to the interim instructions which have been issued to the Foreign Service of the Department of State in section 3.3 of the enclosed circular.
